

# **NAIL ENHANCEMENT**

## **TROUBLESHOOTING WORKSHOP**

1.0 Credit Toward Upgrading

Are you a licensed Esthetician or Nail Technician who would like to build your confidence and skills in providing nail enhancements, if so, you should join us for this exciting 6-hour hands-on course (with 2 instructors)! Attendees will learn to apply nail enhancements step by step, start to finish, polish application and more. Everyone will leave the course feeling confident with a thorough understanding of cuticle work, longer lasting nails for their clients, less product breakdown, the complete understanding of nail structure, what an apex is, proper polish applications, proper prep work, shaping knowledge and better retention.
