# LEADERSHIP & CULTURE WORKSHOP

Step into your role as a confident, culture-driven leader. This transformative workshop is designed for salon owners and managers ready to elevate their leadership skills and cultivate a team environment rooted in trust, communication, and shared vision.

## **In This Workshop, You'll Learn:**

- Proven strategies to overcome common leadership challenges in the salon industry
- How to improve communication and collaboration across your team
- Tools for setting clear expectations and boundaries without micromanaging
- Ways to align your business values with everyday actions
- How to build a thriving team culture that supports growth, creativity, and accountability
