

Q Gua Sha and Facial Cupping

Quannessence Skincare, in partnership with Maritime Beauty Supply

Instructor: Bobbie Jo MacDonald

Dip your toes in the Quannessence professional skincare brand through our newest advanced professional facial treatment, which incorporates our advanced skincare products, two clear quartz gua sha stones, and two sizes of glass facial cupping balls. With no downtime, Facial Cupping and Gua Sha treatments deliver results by increasing blood circulation, lymphatic drainage, increasing collagen synthesis, minimizing acne scarring, and plumping the skin's surface.

In this class, you will be introduced to the Quannessence brand and taught the theory, background, and impacts of Gua Sha and Facial Cupping techniques in combination with Quannessence products. You will also be shown the Q protocol and results in a facial demonstration by a Quannessence-certified Aesthetic educator while also receiving and trying your hand at a Q Gua Sha and Cupping Facial under the supervision of the Q Educator.

Q Dermaplaning Certification Training

Quannessence Skincare, in partnership with Maritime Beauty Supply

Instructor: Bobbie Jo MacDonald

Experience the latest in advanced skincare with our Dermaplaning certification class—a treatment revolutionizing the aesthetic industry. Dermaplaning is a precise and controlled exfoliation technique that removes dead skin cells and fine vellus hair, revealing a smoother, more radiant complexion with zero downtime. Clients will love the immediate benefits, including diminished fine lines, enhanced product absorption, skin resurfacing, and a luminous glow.

In this comprehensive class, you'll master the art of Dermaplaning, including expert techniques for different skin types, pairing with chemical peels for optimal results, identifying contraindications, and implementing business strategies to boost your service offerings. This certification program blends in-depth theory with hands-on practical training, equipping you with the skills and confidence to excel in this highly sought-after treatment.
