Our reputation is built on precision, integrity, and delivering refined, personalized client experiences.

The Opportunity

We are seeking an experienced, polished Aesthetician or Medical Aesthetician who values excellence, clinical standards, and client-centered care. This is a full-time position within a supportive, mentorship-focused environment led by an advanced aesthetics educator.

Core Responsibilities

- Provide advanced aesthetic services including Laser Hair Removal, IPL Skin Rejuvenation, Microneedling, Electrolysis, Permanent Makeup support, and brow and lash services.
- Conduct comprehensive consultations and customized treatment planning.
- Educate clients on skincare, aftercare, and long-term skin health strategies.
- Maintain exceptional cleanliness and sanitation standards in accordance with provincial regulations.
- Build lasting client relationships grounded in professionalism and trust.
- Support retail sales through confident and ethical product recommendations.

Qualifications

- Licensed Aesthetician with valid provincial certification.
- In good standing with the Cosmetology Association of Nova Scotia.
- Minimum 3 years experience in Laser Hair Removal and IPL (required).
- Strong knowledge of skin physiology and advanced treatment protocols.
- Professional appearance, excellent communication skills, and a growth mindset.

Compensation & Growth

- Hourly wage plus commission and tips.
- Ongoing education and skill refinement opportunities.
- Direct mentorship from an experienced trainer in advanced aesthetics.
- All professional supplies and products provided.
- Staff discounts on services and retail products.
- A loyal and established client base within a supportive team environment.

How to Apply
