

Experienced stylists and barbers : \$1000 signing bonus!!

Grow your career in a well established business with a team of supportive, professional and friendly colleagues. We've been in business for 25 years and we want to add more creative minds to our salon. We are all self employed at 5th Dimension Hair Design and can make the transition for you very easily. We offer all salon business essentials that make self employment both worry free and empowering.

If chair rent scares you or is just not your cup of tea we can also offer commission base pay with a signing bonus of \$500

We really want to connect with people who want to expand their creativity, community, and make more money :)

All candidates must have sustainable clientele, a current license and take pride in your work.

Contact us for details, all inquiries will be kept confidential.
