

Class: Alexandria Professional Advanced Technique Body Sugaring (English/French)
(2-day certificate course)

France Babin

Licensed since 2008, France has accumulated an impressive portfolio of skills and certifications, including her sugaring instructor certification with Alexandria Professional. France chooses Alexandria Professional as an all-natural solution to hair removal. She loves that she is able to serve clients with sensitive skin and to offer safe, effective and all-natural technique of hair removal.

Since opening her solo business in 2015 she rediscovered her passion to teach, and now offers sugaring courses on a regular basis. She strives to provide support to her students throughout their learning stages and sharing her skills with others has become her goal in advancing the industry as a whole. We are all making our industry, let's make learning our priority "Continuing my education has been a huge part of my journey in the Esthetics and Nail World. Getting to know all the other professionals has also made me achieve my goals in the business industry. Let's all network together and grow as professionals."

Class Description:

Advanced Technique is the Alexandria Professional way of hair removal. This technique allows you to remove hair in the direction of growth and exfoliates to improve the condition of the skin. Alexandria Professional has developed a technique that allows you to extract hair from all areas of the body with little to no discomfort to the client. It is cost effective, all natural and allows you to give your clients a more enjoyable experience with long lasting results. Hair extracted in the anagen stage or 1/8 inch. Clients will see results after the first treatment. Learning all advantages of body sugaring will help you offer ore gentle and natural way of service to your clients.

Course Outline

This course consists of 20 % theory and 80% practical. Participants will gain valuable experience working on each-other under the Educators supervision.

Important: *For this course you will need to make sure you have hair growth in order to have all students be able to practice, unless arranged otherwise. Please notify me if this is not possible.*

*****Certificate only issued upon successful completion of course*****

The following will be covered
