

Class: LCN Anti-Age Manicure System

~Karen Kelly~

Karen is a Master Esthetics Instructor and an LCN educator from the Annapolis Valley, Nova Scotia. She graduated from MBC School of Esthetics in 2013 where her passion for all things skin and nail related began. She has attended numerous LCN Educator Conferences and has had the honour to be internationally trained when she travelled to Germany in 2017. Karen has focused her instructing career on giving her students the most positive yet informative educational experience. Karen is constantly partaking in upgrade courses and always in touch with current trends in the beauty industry, as well as the most innovative ways to deliver information to her students.

"I truly have a passion for knowledge and for LCN. I love to help others with their journey into this wonderful industry."

~Susan Keddy and Cathi Myers~

Susan and Cathi have been working with LCN for over 20 years. They have licensed Nail Technicians who are actively involved in the Product Development and marketing of all things LCN. Each year they travel to Europe to meet with the LCN world export partners. In 2016, while in Spain at a World export meeting they were given the honour to present the extremely successful LCN Canada Sales & Educator plan to over 85 countries. As a result of the success of LCN and the loyalty of our client's, Halifax, Nova Scotia was chosen as the only North American Stop of the LCN World Trend Tour in 2018. Susan & Cathi also travel to Germany yearly to be updated and trained on what's new. They love bringing all this knowledge back to Canada and share. If you have a suggestion or question about LCN or the

industry in general, come see us!

"Love what you do and you will never have to work a day in your life." We truly love what we do and can't wait to see you.

Class Description:

Learn Advanced Anti-Age Care for younger looking hands. In this class we will go through the LCN Anti-Age System and demo the Anti-Age Hand Treatment using the Studio Skin Expert machine. The Studio Skin Expert is a 5-in-1 skin regenerating treatment device that combines the power of three proven skin care technologies – ultrasonic, galvanic, and LED therapies – in one portable hand-held instrument. This is an easy add on service to your spa and a great way to earn additional income.

Cost: \$35.00 – includes an Anti-Age retail kit valued at \$59.00

*****No tools required – look and learn**
