

Class: Thuya Lash Lift & Tint Class

~Karen Kelly~

Karen is a Master Esthetics Instructor and an LCN educator from the Annapolis Valley, Nova Scotia. She graduated from MBC School of Esthetics in 2013 where her passion for all things skin and nail related began. She has attended numerous LCN Educator Conferences and has had the honour to be internationally trained when she travelled to Germany in 2017. Karen has focused her instructing career on giving her students the most positive yet informative educational experience. Karen is constantly partaking in upgrade courses and always in touch with current trends in the beauty industry, as well as the most innovative ways to deliver information to her students.

"I truly have a passion for knowledge and for LCN. I love to help others with their journey into this wonderful industry."

~Susan Keddy and Cathi Myers~

Susan and Cathi have been working with LCN for over 20 years. They are licensed Nail Technicians who are actively involved in the Product Development and marketing of all things LCN. Each year they travel to Europe to meet with the LCN world export partners. In 2016, while in Spain at a World export meeting they were given the honour to present the extremely successful LCN Canada Sales & Educator plan to over 85 countries. As a result of the success of LCN and the loyalty of our client's, Halifax, Nova Scotia was chosen as the only North American Stop of the LCN World Trend Tour in 2018. Susan & Cathi also travel to Germany yearly to be updated and trained on what's new. They love bringing all this knowledge back to Canada and

share. If you have a suggestion or question about LCN or the industry in general, come see us!

"Love what you do and you will never have to work a day in your life." We truly love what we do and can't wait to see you.

Class Description:

Eyelash Perming & Lifting is a profitable and easy addition to your service menu. We will explain the difference between lifting & Perming. With the Thuya System you can tint and lift on the same day or apply artificial lashes on the same day.

This highly effective and safe procedure allows individuals to enhance the appearance of their lashes. It is specifically formulated to correct eyelashes natural wave along with the knowledge and step-by-step procedure of the effective and safe application of lash and brow tint. We will be using one of the only government-approved tints in Canada – Thuya. This tint contains no coal tar, which prevents burning and irritation to your client. A Full demo will be done in Class.
