

Senior Esthetician

Join our team!

Do you have a passion for the Spa and Beauty Industry? Spirit Spa is currently looking for a detail oriented, educated, and enthusiastic Senior Esthetician who shares our drive for creating exceptional guest experiences. Our Senior Estheticians are focused on skin care services and perform facials and body treatments, in addition to manicure, pedicure, and waxing.

Our team members share our core values of Passion, Teamwork and Extraordinary; to work together to achieve a positive, encouraging work environment and deliver great guest experiences. A positive attitude and a willingness to seek solutions to problems are important traits for candidates to embody.

Responsibilities

- Performing all manicure and pedicure services to Spirit Spa standards and protocols.
- Comfortable offering Facial waxing, body waxing, lash and brow tinting services.
- Provide confident skin analysis/consultation and offer facial services for clients.
- Perform body treatments.
- Offer product suggestions to compliment all spa services and achieve retail sales goals.
- Maintaining an organized and clean workspace adhering to our COVID 19 protocols.
- Keeping notes on client files organized and up to date.
- Maintaining professional relationships with guests to facilitate building a clientele.
- This position requires an applicant with a flexible schedule and the ability to work a variety of shifts, including evenings and weekends.

Preferred Qualifications & Skills

- 5+ years of work experience as an Esthetician and interest in work as a team leader.
- Must possess a valid Esthetician license with the Cosmetology Association of Nova Scotia
- Advanced training in esthetics and continuing education certifications.
- Experience with recommending appropriate home care after professional services.
- Loves working with others in a fast-paced team environment.

Why Choose Spirit?

- Competitive compensation
- Employee benefits plan
- Marketing and social media support to grow your clients and business
- Ongoing education and professional development
- Premium professional products and brands
