

## Glenn Balsler Bio

I enjoy spending time with my family and everything outside. In my spare time, I have been known to head out with the fisherman for a catch and I attend any cosmetology show I can.

I have been in the industry for over 25 years and had the fortune of trying out many different roles during this time; from working for other salon owners, to owning my own salon, and dealing with challenges that many of us have faced.

I currently hold a Master Hair Instructor licence and teach at the NSCC in the Annapolis Valley. Helping new cosmetologists to find their road to success has been challenging and rewarding for me at the same time.

As a dedicated cosmetologist from a small town, I believe change is sometimes needed to support moving forward and I am ready to work for you!

I look forward to the opportunity to sit on the Board, to have a voice that will represent all members.
