

## Jan Barrett Bio

Hi, my name is Jan Barrett, I have been a hairdresser for just over 30 years.

I have always been an active member of the association and have volunteered and offered help when needed. I'm sure many of you have seen me around over the years.

I hold an instructor's licence and was a program assistant for close to 10yrs at NSCC prior to having a teaching position at NSCC for 2 yrs until the program was removed from the Campus. In my 30 years I have worked in a chair rental, partnership, owner and currently self employed.

I am married and have 2 children, who have just left the nest to pursue their dreams. My oldest who is 24 is a new French teacher and is working at a local all French school and my youngest 22 just recently moved to Calgary to start his career as an Industrial Control Technologist.

I feel that as my children are now away and on their own, I have the time to become more actively involved in our wonderful Industry, I feel that I have lots to offer as well as to learn.

I ask for support in my next adventure and looking forward to the upcoming years.
