

## **Melville Lodge**

Melville Lodge is looking for a Hairdresser, on a contractual basis, that is interested in providing services for all our residents, through a rental agreement.

For a bi-weekly rental fee of 20% gross sales, we will provide access to our residents, the space (Beauty Salon) including all utilities, cleaning services, and plumbing services if required. The facility will collect all rate/fees from residents biweekly on your behalf. You will set your hours assisting with a flexible schedule to aid in work-life balance.

The successful candidate will set the rates/fees of services provided, and also provide all supplies, products and tools/equipment required for operation of the services. You must have a valid license, current insurance coverage and a current business number.

The successful candidate must maintain and provide proof of the following annually:  
Provide proof of appropriate and current professional registration and liability insurance  
Obtain a salon license through NS Cosmetology Association for the facility salon

If you have a passion for working with Seniors, this may be the right opportunity for you.
