Barbers and Hair Stylists

Pure Hair Design Studio Inc is looking to hire new Barbers and Hairstylists to join their professional and creative team. Located in downtown Wolfville, our studio is one of the first in Atlantic Canada dedicated to manufactured chemically-free services, using only organic and bio natural products. We're a multi-cultured, team-oriented and upscale boutique salon looking for new individuals that are use to working in a fast-paced environment, are a team player, have a positive outlook and have great communication skills.

We're offering positions starting out with salary, commission, full-time and part-time hours. A great opportunity for someone who is interested and has a passion for this industry.

Serious & professional inquiries only.
