Tout Simplement Country is a French country music variety show and it shoots at Alderney Landing from October 9th to the 26th. We would require hair services during our 12 shoot days, 1 rehearsal day and 1 promotional shoot day for a total of 14 work days.

The job requirements are styling the hair for the following:

- Show host - Guylaine Tanguay (female)
- Band - 7 male and 1 female
- Invited guests - 2 or 3 per day (mixed)

Mostly a male cast, so the majority of the styling would be spent on the 2 women (show and band member), plus if any of the invited guests are female - usually a maximum of 4 women per day.

The work days are:

Rehearsal: oct 8

Shoot days: oct 9, 10, 11, 13, 14, 15, 16, 19, 23, 24, 25, 26

Promot shoot: oct 21 (1/2 day, full rate)

Our days in the past have typically started at 11am and we were wrapped by 9pm, but we need to adapt to COVID and we might change those hours, but we'll we never go more than 10 hours during the day and we provide a catered, individually wrapped warm meal either for lunch or dinner.

French language is an asset, but not a requirement.
