

Class: Get Artistic with Putty

Lisa Boone's incredible professional journey, spanning more than 20 years, has taken her from nail technician, to salon owner, into manufacturing and consulting, and today, Lisa is an international judge and educator in high demand. She started her career as a nail technician in the Chicago area, and she has been recruited to start up and manage high-end salons, including location design, establishing product lines and staffing and training, as well as ongoing management.

She has been a salon owner and involved with creating and manufacturing products for the professional market. Lisa has been a judge for the World & European Nail Championship's

three times. She was a long-time hand model for 13-time world nail champion Tom Holcomb, as well as for world champion Alisha Rimando and Danny Hallie. Lisa has been published in Scratch Magazine, and her artwork has graced the covers of NAILS Magazine and most recently, NAILPRO. Lisa has set out to give back to the nail community by inspiring other nail technicians and encouraging everyone to explore all the facets that this wonderful community has to offer. She is currently following this passion by travelling the world and teaching classes and seminars as a principal educator for Artistic Nail Design.

Class Description:

Get Artistic with Putty!!! SHAPE – MOLD – MEND – MORPH BUILD - LENGTHEN – CREATE Putty's rule breaking, monomer-free formula is simply revolutionary. Nobody owns application like Putty's zero-chase formula. Shape, extend, and play as long as you want. Easily overlay, sculpt, and create art with Putty's one of a kind formulation combining acrylic powder for strength in a gel base with photo initiators providing workability and no odor. Learn everything from application to removal.
