

Crave Studio is currently seeking a Hair Stylist.

Our hair salon is cutting-edge, fun and highly artistic. Our client roster is growing at such a rapid pace that we just can't keep up with the demand. That's where you fit in – you are an experienced Hair Stylist who thrives on creating beautiful styles to compliment the clients' attributes, and loves interacting with others and providing exceptional service. If you are self-motivated, energetic, positive, goal-oriented and have a current cosmetology license, then we want to hear from you.

We run a chair rental studio but are opening to negotiation and suggestions. Please contact us through email at [connect@cravestudio.ca](mailto:connect@cravestudio.ca) or in person at the studio.
